Money Barometer at 'Easy' Mark and Business Is Beginning to Pick Up.

STIMULATED

ACTIVITY

Substantial and Healthy Change in Affairs Noted in Most Lines of Trade.

When the indicator on the money market barometer points to "easy," it likewise indicates "busy" among the real estate interests and the architects and other business lines. This is the situation now prevailing in Salt Lake after several months of slow but gradual coaxing from the opposite pleased countenances.

This "easing up" has been attended with stimulated action in building offices of the new International smel- keeping. now under way and is noticeable in the building which is starting and which has been planned and postponed before the stringency became an obstacle to improvement.
